VOORWOORD / PREFACE

Dear Guests of the EDS Auction,

Welcome to the seventh edition of the Excellent Dressage Sales auction in Hooge Mierde!

Thanks to a great start in 2014, many buyers are now enjoying success with horses purchased from our EDS collection. Our EDS team is proud of its numerous achievements to date: these include the stallion Foundation, from the first EDS edition. Under Kirsten Brouwer, he finished the runner-up at Jumping Amsterdam, behind the phenomenal dressage horse Total U.S.

However, Foundation is just one of the many successful Grand Prix and Prix St. Georges horses from past EDS editions. Others include Brother de Jeu, Black Pearl, Wup, Genua TC, Five Star, Citho, Ferrari, Filegra, Charming Lady, Colt Sollenburg and Four Legends KS. Sold in the 2019 edition, the stallion Lowlands (auction name: Milli Vanilli) emerged the reserve champion of the KWPN performance test this winter with a very good score of 87.5 points. Furthermore, EDS horses also perform remarkably well in many young horse classes.

For each edition, EDS selectors and organizers strive to assemble a diverse collection of quality horses – ranging from three-year-olds, to horses in training, to schoolmasters, to horses which compete at a high level. You will find interesting horses in every price range, and that makes buying at EDS very appealing. Moreover, auction prices are often surprisingly favorable.

I hope you enjoy the always pleasant ambience of this wonderful auction, and I wish you much success in choosing one of our carefully selected horses in this seventh edition of EDS. Many buyers have purchased EDS horses over the years, and – as evidenced by the names listed above – many of these special horses have achieved great successes.

1 Fellini

Ampère - Jazz | 2010

Fellini couldn't be more handsome! This gelding boasts abundant presence and moves with lots of bravado. Classified at the Small Tour level, Fellini turns heads every time he enters the ring. Although approved by the KWPN, he was subsequently gelded with the goal of the elite sport. Talent for the highest level is inherent in this family, as Fellini's full-brother Emerald S currently competes in the Big Tour under Ilse van Cranenbroek. With Fellini's talent, there's no doubt that this black pearl will prove himself in the Big Tour. He collects with great ease, performs the tempi-changes effortlessly and convinces in the lateral movements time and again.

Daily Diamond - Cocktail | 2017

Mick turns heads with his handsome looks and certainly with his rhythmic movement. This robust Daily Diamond son is a large liver chestnut with abundant presence. His dam Nykita (s. Negro - Krack C | 2015

Made for dressage

Chestnut • Gelding • L

The suppleness and carriage of Krack C and the power of Negro are fully expressed in this horse with good movement, Kinetic S. His movement is not surprising though, given that his dam Tip Top Irene earned the elite and sport predicates and competed in Z2-level dressage, likewise for numerous horses from this successful dam-line. Kinetic S's granddam Irene is an elite, preferent and prestatie mare who produced multiple sporthorse offspring, among them two ZZ-light horses and four Z2-level horses. As a three-year-old, Kinetic S earned high scores in the young horse competitions.

44 Looney Tunes

Negro - Florencio | 2016

The Negro son Looney Tunes is a large gelding with good conformation. He boasts an extremely good walk – an important trait for a good dressage horse – which he performs with excellent rhythm, push and scope. In addition to his good walk, Looney Tunes has an above average trot and canter. His sire Negro has become a true foundation stallion in dressage horse breeding. On Looney Tunes’s dam’s side, we find the stallions Florencio and Lord Sinclair. Looney Tunes’s pedigree includes numerous sporthorses, one of which is the Intermediaire II horse La Habanera (s. Lord Sinclair I).

46 Saint Tropez

Sandbrink - Fürst Romancier | 2016

Saint Tropez is by a stallion who is infrequently used for breeding: Sandbrink. However, if we look at Saint Tropez's talent, his sire should be in high demand! Classified at the Small Tour level, Saint Tropez carries the blood of the stallions San Amour I and Cabaret. Saint Tropez's dam is Granjane. She is a half-sister to the Grand Prix horse Grandiosa (s. Stedinger), ridden by Alexandre Ayache of France; and a half-sister to the Oldenburg-approved stallion Simonetti (s. Stedinger). Saint Tropez is a well-developed stallion who shows abundant talent under saddle. He can collect easily and has excellent balance.

Total U.S. - Vivaldi | 2017

Main Stream is a well-developed stallion with easy movement and a remarkable ability to collect. At the KWPN Stallion Show, Main Stream convinced and, as a result, received a ticket to the KWPN performance test. Total U.S.'s appearance at the KWPN Stallion Show is fixed in the mind of every dressage enthusiast who witnessed his performance; and under Edward Gal, he is among the promising horses of the future. The EDS committee is convinced that with good training Main Stream can go very far in the sport.

Westpoint - Gribaldi | 2009

It's almost impossible to find a horse with better training than Erona Utopia. This charming mare has perfect trainability and is confirmed in all the movements for the Big Tour. She easily does the one-tempi's, performs perfect pirouettes and shows talent for piaffe. In addition, she posted several high scores and placings in the Small Tour and received praise for her light-footed movement. Erona Utopia is by the Grand Prix stallions Westpoint and Gribaldi, who also make her pedigree super interesting genetically. Her dam also produced Hurrigan (s. Heinrich Heine), who was successful in the Small Tour under the Nijprens sisters.

Gunning vindt plaats op het moment van ondertekening van de volledig ingevulde Verklaring Koopovereenkomst door Bieder/Koper direct na afloop van de Veiling.

Allotment takes place at the moment the fully completed Purchase Agreement Declaration is signed by the Bidder/Buyer immediately following the auction.
- All clauses in these Auction Terms and Conditions are also stipulated for all persons who work or have worked for, on behalf of and/or in the name of EDS. These persons may directly invoke the provisions in these Auction Terms and Conditions as if themselves were EDS.

Tot dat moment heeft EDS op het paard een retentierecht. Pas na schriftelijke toestemming van EDS is Verkoper bevoegd het verkochte paard aan Koper te leveren.

INFORMATIE

- EDS stelt de veilingcatalogus zo zorgvuldig mogelijk samen. De informatie in de veilingcatalogus is erop gericht een indruk te geven van de kwaliteit van de ter Veiling aangeboden paarden, zonder dat EDS hiermee volledigheid betracht en zonder dat daaraan rechten kunnen worden ontleend.

VOORWAARDEN EDS / CONDITIONS EDS

14. De inhoud van de genoemde veterinaire rapportages is bindend voor EDS, voor Verkoper en voor Bieder/Koper.
15. Voorafgaand aan de Veiling en/of op de dag van de Veiling zijn de ter Veiling aangeboden paarden te bezichtigen op een nader door EDS aan te geven tijdstip en locatie.

AFSLAGBEDRAG, OPGELD, KOOPSOM, BETALINGSVERPLICHTINGEN KOPER

16. Koper dient direct na afloop en op dezelfde dag van de Veiling de Koopsom in Euro's aan EDS te betalen door overmaking op het bankrekeningnummer ten name van EDS, zonder enige korting of verrekening. De Koopsom wordt als volgt berekend: het Afslagbedrag wordt vermeerderd met een bedrag gelijk aan 8% van het Afslagbedrag ("Opgeld"), een en ander te vermeerderen met het van toepassing zijnde BTW tarief. Het BTW tarief is afhankelijk van de hoedanigheid/nationaliteit van Verkoper, Koper en van toepasselijke regelgeving.
17. Bij gebreke aan tijdige betaling van de Koopsom is Bieder/Koper in verzuim en heeft EDS het recht het paard onmiddellijk onderhands te verkopen, waarbij het bod van de oorspronkelijke Bieder/Koper niet meer geldt. Bieder/Koper heeft nimmer recht op een meeropbrengst bij onderhandse verkoop en blijft gehouden de minderopbrengst aan EDS te vergoeden. EDS heeft dan voorts de bevoegdheid zonder ingebrekestelling namens Verkoper en zonder Verkopers toestemming de Koopovereenkomst als ontbonden te beschouwen zonder dat Bieder/Koper een recht op (schade)vergoeding(en) toekomt. In geval van verzuim van Koper heeft EDS een retentierecht op het paard, is Bieder/Koper aan EDS administratiekosten verschuldigd ter hoogte van 6% van de Afslagbedrag en is Bieder/Koper alle (buiten)gerechtelijke kosten gemoeid met incasso van EDS' vordering op Bieder/Koper, met een minimum van € 1.000,-, aan EDS verschuldigd. Koper komt geen recht op verrekening toe.

UITSLUITING EN BEPERKING AANSPRAKELIJKHEID EDS

18. EDS is niet aansprakelijk voor schade veroorzaakt door verstrekking van onjuiste en/of onvolledige informatie, ongeacht aard en omvang van die schade en van die informatie en ongeacht de herkomst van die informatie.
19. EDS is niet aansprakelijk voor schade ontstaan voorafgaand aan, tijdens en/of na afloop van de Veiling veroorzaakt door of aan personen en/of door of aan zaken en/of door of aan paarden.
20. EDS is niet aansprakelijk voor schade, direct noch indirect en ongeacht aard en omvang, als gevolg van een tekortkoming in de nakoming van een verbintenis door een derde(n).

15. Prior to the Auction and/or on the day of the Auction the horses being offered for auction can be inspected at a time and location to be specified by EDS.

EXIT AMOUNT, BUYER'S PREMIUM, PURCHASE PRICE, BUYER'S PAYMENT OBLIGATIONS

16. Immediately following the Auction and at the same day, Buyer will pay the Purchase Price to EDS in euros via bank transfer to the account number in the name of EDS, with no discount or setoff being applied. The Purchase Price will be calculated as follows: the Exit Amount is increased with an amount equal to 8% of the Exit Amount ("Buyer's Premium"), plus the applicable VAT rate. The VAT rate can depend on the capacity/nationality of the Vendor, Buyer and on applicable regulations.
17. In the event of a failure of timely payment of the Purchase Price, Bidder/Buyer will be in default and EDS will have the right to privately sell the horse forthwith; whereby the bid of the original Bidder/Buyer is no longer applicable. Bidder/Buyer is never entitled to any additional profit from this private sale and continues to be obligated to pay the difference in case of less profit to EDS. EDS will be authorised, with no notice of default on behalf of nor consent from the Vendor being required, to consider the Purchase Agreement to have been dissolved, without Bidder/Buyer being entitled to any (damage) compensation. If Buyer is in default, EDS will have the right of retention of the horse; Bidder/Buyer will owe EDS administration fees equal to 6% of the Exit Amount and Bidder/Buyer will owe EDS any (extra)judicial costs involved in collecting EDS' claims against Bidder/Buyer, subject to a minimum amount of €1,000. Buyer has no right to any setoff.

EXCLUSION AND LIMITATION OF EDS'S LIABILITY

18. EDS is not liable for any loss caused by incorrect and/or incomplete information being provided, regardless of the nature and score of this loss and of the information and regardless of the source of this information.
19. EDS is not liable for loss arising prior to, during and/or after the Auction caused by or to persons and/or to property and/or to horses.
20. EDS is not liable for damage, either direct or indirect, and regardless of the nature and scope of the damage, resulting from a failure to meet an obligation by a third party or third parties.

21. Bieder/Koper is aansprakelijk voor alle schade door hemzelf veroorzaakt en vrijwaart EDS tegen iedere aanspraak van (een) derde(n), waaronder mede begrepen, maar niet beperkt tot, Verkopers en/of andere Bieders/Kopers, verband houdende met die schade, ongeacht aard en omvang.
22. Uitsluitingen van aansprakelijkheid van EDS gelden niet in geval van aan EDS toe te rekenen opzet of grove schuld van EDS.
23. Iedere aansprakelijkheid van EDS is te allen tijde beperkt tot een bedrag van maximaal € 10.000,-. Het recht op schadevergoeding vervalt in ieder geval 12 maanden na de gebeurtenis waaruit de schade voortvloeit en waarvoor EDS aansprakelijk is, onverminderd het bepaalde in art. 6:89 BW.

OMZETBELASTING

24. EDS is ondernemer voor de omzetbelasting. Wijzigingen ten aanzien van het geldende BTW-tarief kunnen aanleiding zijn voor een overeenkomstige aanpassing van de toe te passen BTW percentages.
25. Indien ter zake van de overgang van geveilde paarden naar een andere lidstaat van de Europese Unie op verzoek van de Bieder/Koper wordt gefactureerd met het BTW-nultarief, verplicht de Bieder/Koper zich alle daartoe noodzakelijke voorwaarden te vervullen teneinde een rechtsgeldige intracommunautaire transactie te verwezenlijken.
26. Indien toepassing van het BTW-nultarief door welke omstandigheid dan ook (achteraf) niet mogelijk blijkt, is de Bieder/Koper op dat moment alsnog een bedrag verschuldigd ter grootte van het bedrag dat verschuldigd zou zijn indien sprake is van een binnenlandse levering van het desbetreffende paard. Op verzoek van EDS is de Bieder/Koper echter verplicht vorenbedoeld bedrag onmiddellijk aan EDS te voldoen. Alsdan zal terugbetaling daarvan eerst en slechts plaatsvinden indien de bidder/koper naar genoegen van EDS aan de voorwaarden sub 25 heeft voldaan. De Bieder/Koper is aansprakelijk en vrijwaart EDS in ieder geval voor alle schade die voortvloeit uit het niet voldoen aan de voorwaarden sub 25. Daarnaast is de Bieder/Koper aansprakelijk voor alle (buiten) gerechtelijke kosten die EDS maakt, met een minimumbedrag van € 1.000,-.
27. Per paard wordt voorafgaand aan de Veiling kenbaar gemaakt onder welk BTW regiem het betreffende paard wordt geveild.

21. Bidder/Buyer is liable for any damage caused by Bidder/Buyer and indemnifies EDS against any third-party claim or claims, including, but not limited to, Vendors and/or Bidders/Buyers, related to such damage, regardless of the nature and scope of the damage.
22. Any exclusion of liability on the part of EDS do not apply if EDS has acted with intent or is guilty of gross negligence.
23. Any liability on the part of EDS will at all times be limited to the maximum amount of €10,000. In any case, the right to damages will lapse 12 months after the incident from which the loss arises and in respect of which EDS is liable, without prejudice to the provisions in Article 6:89 of the Dutch Civil Code (BW).

TURNOVER TAX

24. For the purpose of turnover tax EDS is considered as an entrepreneur. Changes in respect of the applicable VAT-rate can give rise to a proportionate adjustment to the VAT-rates to be applied.
25. If, when an auctioned horse goes to another EU member state at the request of the Bidder/Buyer the VAT on the invoice is itemised as zero, the Bidder/Buyer undertakes to fulfil the conditions laid down with respect to this with a view to realising a legally valid intra-community transaction.
26. If it emerges (afterwards) that the application of the zero VAT rate is not possible due to any circumstances, the Bidder/Buyer will at that time be liable to pay an amount equal to the amount that would be payable if the auctioned horse in question were to be delivered within the Netherlands. However, at the request of EDS the Bidder/Buyer is required to pay the above amount to EDS forthwith. In that case repayment of this amount will only take place if the Bidder/Buyer has met the conditions set out in Clause 28 to the satisfaction of EDS. The Bidder/Buyer is liable for and indemnifies EDS against, at the very least, all loss arising from failure to meet the conditions set out in Clause 28. In addition, the Bidder/Buyer is also liable for all (extra) judicial costs incurred by EDS, subject to a minimum amount of € 1,000 including VAT.
27. Prior to the auction, it is announced per horse under which VAT-system the horse in question will be auctioned.

VOORWAARDEN EDS / CONDITIONS EDS

Indien de veilingmeester de notaris verzoekt over de gang van zaken tijdens de Veiling een oordeel te vellen, zal de notaris bindend en onherroepelijk voor alle partijen beslissen.
29. De rechtsverhoudingen tussen EDS en Verkoper, tussen EDS en Koper en tussen Verkoper en Koper worden uitsluitend beheerst door Nederlands recht, met algehele uitsluiting van het Weens Koopverdrag (CISG). 30. De Nederlandse tekst van deze Veilingvoorwaarden is bindend.

DISPUTES AND APPLICABLE LAW

28. If a dispute should arise during the Auction about the procedure during the Auction, the auctioneer is authorised to pronounce a binding opinion on this dispute and then to continue the increasing auction. If the auctioneer requests the civil-law notary to pronounce an opinion on the procedure during the auction, the civil-law notary will decide for all parties and this decision will be binding and irrevocable.
29. The legal relationship between EDS and Vendor, between EDS and Buyer and between Vendor and Buyer is governed exclusively by Dutch law, with full exclusion of the Vienna Sales Convention (CISG). Disputes, other than those subject to the opinion of the auctioneer or the civil-law notary, will be heard in accordance with the Arbitration Rules laid down by the Netherlands Arbitration Institute (NAI) by one arbiter to be appointed in accordance with the list procedure. The arbitral proceedings shall take place in Utrecht. The arbitral proceedings shall be conducted in the Dutch language. If Buyer is consumer, at his/her written request the district court Midden-Nederland, location Utrecht, is competent. If Vendor and/or EDS want to lay a matter before court and Buyer is consumer, Vendor/EDS will afford Buyer for a period of one month with the opportunity to make known his/her choice for NAI-arbitration or district court Midden-Nederland, location Utrecht. If cases involve an urgent interest (summary proceedings), Vendor/EDS may shorten this period to five working days.
30. The Dutch text of these Auction Terms and Conditions is binding.
